

Gene-level Fisher test against genomic permutation

5,000 permutations. Concordance: Confirmed 8 | Weakened 2 | Strengthened 2 | Concordant NS 0

Concordance ● Confirmed ● Weakened ● Strengthened Concordant NS

Confirmed: both significant. Weakened: Fisher only. Strengthened: permutation only. Concordant NS: neither. Fisher uses its raw p, permutation its adjusted p, both at 0.05.
